Meldin is a cutting edge software agency dedicated to delivering innovative solutions tailored to meet the unique needs of businesses across diverse industries.

With a focus of leveraging technologies Meldin specializes in crafting robust software application, scalable web platforms and efficient mobile apps to empower clients in achieving their digital goals.

Concept
The Meldin logo encapsulates the essence of technological innovation and software prowess. It merges the fundamental elements of the brand identity - the letters N and T with one of the N being inverted to give the M shape with a cutting edge flare giving the core expertise of the agency

Symbolism
The interplay of the letters N,T and inverted N when unified gives an M shape that serves as an icon for the name and brand MEDIN.
